

Chardonnay Golf Club

A semi-private, 18-hole Napa-Valley golf facility offering scenic vistas and beautiful surroundings carved out of more than 150 acres of working Chardonnay vineyards. With a unique blend of six par 3s, six par 4s and six par 5s, the course is fun and enjoyable for the casual golfer, while the championship layout presents an exciting challenge for the accomplished player looking to test his or her skills.

At the Chardonnay Golf Club, we pride ourselves on offering unparalleled service and ambiance. We look forward to providing your clients with the best possible golf experience. As host of hundreds of golf outings and tournaments every year, (from 12 to 360 golfers), you'll find our PGA staff welcoming, professional and appreciative of your business. With our vast experience in tournament planning, we will do everything we can to make the organization and facilitation of your event as seamless as possible, so you can concentrate on making sure your guests are enjoying themselves to the fullest.

AWARDS BANQUETS AND CATERING

In a similar fashion, under the direction of our Executive Chef, Adolfo Garcia, our awards banquets will match experience presented by our golf event staff. Our staff of catering professionals is dedicated to bringing your event the quality dining experience you desire. Prior to his arrival at the Chardonnay Golf Club, Chef Garcia sharpened his skills at various culinary landmarks in the Napa Valley, including Domaine Chandon, Auberge du Soleil and the Napa Valley Wine Train. His flavor combinations, flair and menu creations are matched only by his experience. Whether your interest is buffet-style banquets or plated five-star dinners, we can tailor a menu (and budget) to fit your group's needs and desires.
